

**STATE OF SOUTH CAROLINA
ADMINISTRATIVE LAW COURT**

Anonymous Taxpayer,)	
(Thomas W. Patriot))	Docket No. 07-ALJ-17-xxxx
Petitioner,)	
)	
vs.)	OPPOSITION TO
)	PRELIMINARY TAX STATEMENT
SC Department of Revenue)	BY DOR
Respondent.)	

Petitioner hereby files his opposition to preliminary tax statement by DOR, dated September 28, 2007 as follows:

1. The Department begins with their paragraph 1 which argues the definition of income. Likewise, paragraph 4. This is not an issue before the court and is in fact "frivolous and groundless." For this DOR should be penalized.
2. As to paragraph 3, sub paragraph 3, the DOR claims to receive information on income from the IRS which is known to be incorrect. DOR must use original source documents such as 1099s and w-2 from employers. The IRS Print outs are not reliable evidence.
3. Income figures against taxpayer may be monies accrued by illegal aliens using his Social Security number and government agencies may be aware of this fact.

"MSNBC.com Research and government reports suggest hundreds of thousands of American citizens are unknowingly lending their identity to illegal immigrants so they can work. And while several government agencies and private corporations sometimes know whose Social Security numbers are being ripped off, they won't notify the victims. That is, until they come after the victims for back taxes or unpaid loans owed by the imposter." It is common knowledge that on construction sites that when an American leaves, the foreman will assign the same personal identifiers to an illegal alien.

4. The Department's Proposed Assessment is based on incorrect figures and is therefore incorrect.

5. Tax payer has not used language and phrases used in tax protest letters. The Department should be slapped with penalties

6. In Conclusion, in violation of the Cannon of ethics for the SC Bar association, high paid Chief Counsel is using the overwhelming resources of the government against a non-legally trained citizen who is representing himself.

CERTIFICATE OF SERVICE: I do hereby certify on this date that a copy this pleading was sent properly to opposing counsel.
