I have listened to the presentation at the introductory meeting; I pledge a good faith effort to participate and to support the programs and activities of this private political association and its drive to RESTORE CONSTITUTIONAL GOVERNMENT. I understand the local club is a member of the National Association of Independent Patriot Clubs. I understand that all monies given to the club are a non-refundable donation to the Cause. Memberships are not transferrable and have no cash value.

I want to help reach 1000 members in this area, for then the battle is virtually won.

I agree to not engage in bickering, backbiting, and gossip against other members, leaders, vendors, visitors, and speakers and I will follow the Rule against Factionalism.

I affirm that I support and defend the Constitution of the United States of America, will defend and protect the Republic for which it stands, against our enemies, foreign and domestic.
